THE SECRETARY OF DEFENSE  
WASHINGTON, THE DISTRICT OF COLUMBIA

Executive Order	
85-	132

4 JAN 1985

Honorable David A. Stockman  
Director, Office of Management and Budget  
Washington, D.C. 20503

Dear Dave:

I have been advised that funding for the International Education Act (Title VI) has been eliminated from the Department of Education Budget for Fiscal Year 1986. This is unfortunate and inappropriate. Continuation of foreign language and area studies under Title VI is essential if we, as a nation, are to have an adequate base of scholarship, knowledge, and understanding of a dynamic and changing world. The ramifications to national security, defense, and diplomacy should be obvious. Studies done for the Department of Defense and the university community underscore the need for continued funding in this area and we are convinced of active Congressional support.

Request your most deliberate action to reinstate this item during the final formulation of the President's Budget.

*Shirley,*  
*Jan.*
